August 10th 2017: Deep Healing Hypnosis**

One of the most misunderstood and yet powerful treatment modalities available to day is Hypnosis or Hypnotherapy. It is approved as a treatment modality by the British Medical Association and the American Medical Association although few MDs practice it. It can be used as a powerful anesthesia and is especially powerful when used in both dentistry and childbirth. In therapy, it allows you to tap into the hidden or forgotten thoughts and memories stored in the subconscious mind helping you to resolve some deep seated issues that may not have responded to traditional therapy. However, in spite o
