August 21st 2018: Unifying GDPR With US Laws Compliance

Organizations are struggling to meet compliance with GDPR, USA regulations & laws & all the other worldwide data protection legal requirements. There is much confusion about how to effectively comply with all of the many laws & regulations that apply to any single organization. • What are hot topics that organizations need to know about for GDPR compliance? • How can organizations effectively comply with multiple laws & regulations that cover the same topics & are often in conflict with requirements? • How should differences in legal requirements for breach response be handled? • How s
