**April 18th 2019: How to Turn an Improbable
Dream into a Reality**

Dreams do come true if we truly believe and visualize them. Creative visualization uses the power of the mind, and is the power behind every success. By visualizing a certain event, situation, or an object, you attract it into our life. It is a process that is similar to daydreaming. Glenn Plaskin shares from personal experience how he visualized meeting celebrities even being introverted at the time to become one of the world's top celebrity ghostwriters. He provides a simple process to how to turn your improbable dreams into reality.
