This week we chat with Turan Mirza - ex software engineer and developer - how Hypnosis as an idea and a method of allowing him to have his own freedom and a powerful way to help people - on their own terms O yes and how he has fun on the street with street hypnosis. Stories and great insights from his experience on the street and in the therapy room.

Featured Guest

Turan Mirza

My interest in hypnosis and NLP started many years ago, starting as merely a curiosity. As I learned more and more, starting to attend professional training, I entertained at personal social events like family birthday parties and at Christmas. It was at this time Jonathan joined me in entertaining people.
