Uplift Your Life

NOURISHMENT OF THE SPIRIT

Uplift Your Life: Nourishment of the Spirit
Thursday at 8 AM Pacific
April 23rd 2020: Healing Yourself and the Planet
by Listening to Earth's Voice

What if the term "Mother Earth" isn't just poetic, but rather an unconscious awareness that Earth is a living sentient being with the ability to suffer, feel pain, perceive, reason, think and communicate? What if you knew your thoughts create weather patterns, like tornadoes, hurricanes, and volcanic eruptions? Imagine how your life would be different if you could have a close relationship with Earth. If this sounds like science fiction, remember we used to believe the Earth was flat and the Sun revolved around it. Only recently have we acknowledged animals as sentient beings and discovered th

Featured Guest

Mary McNerney

Mary McNerney earned her law degree from Georgetown University, had a fellowship with the UN Commission on International Trade Law, and then worked for many years as a corporate and international lawyer in Boston and Prague. It was not her plan to write this book. She never imagined that the Spirit of the Earth would one day unmistakably, clearly, and shockingly speak to her. Mary says that the experience has put her on an entirely different trajectory than she ever envisioned as a corporate lawyer. She shares "In a wild and wonderful way, I instead became a messenger on behalf of our planet Earth." Mary is the author of Earth Speaks Up. She now lives in Massachusetts together with her husband
