**EPISODE ON DEMAND**

**VIEW HOST PAGE**

Prior episodes of The North Star identified business architecture as a positive factor in successful strategy execution. It should come as little surprise then that, as business architecture has gained traction, the demand for skilled practitioners has grown. One association's career center that specializes in job opportunities for business architects has scores of job openings. In addition to the fact that there is an actual shortage of skilled practitioners, the lack of well-formed job descriptions makes it difficult to attract talent. Many open requisitions expect every business architect t
