May 2nd 2024: 3 Steps to Make Your Employees Happier

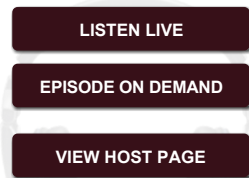

Since Richard was 16 he's been fascinated with the concept of happiness, first his own and then how he could make others happy. His personal journey took him around the world before settling in Gran Canaria in 2001. While still struggling to find the "secrets" of happiness, in 2014 he read 2 books: Start with Why and Let My People Go Surfing. And he realized what fulfilled him was helping others and making them happy. So in 2014 he set up a company whose main KPI was team and client happiness. He had a theory ... if he built a company where team and client well being was the priority then col

Richard Clarke

Richard is the founder and ex-CEO of Secret Source, an IT company based in Spain. In 2014 he had a theory, if he set up a company whose main KPIs were team and client happiness then the team would collaborate better, be more aligned with their clients and perform better and all the traditional measures of success, profit, revenue, growth would naturally follow. For 10 years Richard studied the science of happiness in the workplace and applied it in his company. In 2022, with almost 50 employees Richard handed over the role of CEO and he now dedicates his life to sharing his knowledge. He writes, speaks and teaches leaders and organizations how to use the science of happiness and well being t
