

Breakthrough with Michael Pipich Archives Available

Breakthrough with Michael Pipich explores the psychological issues of modern life to find insights and solutions for you and your family. Michael's guests include both experts and everyday people, creating exciting conversations and improving mental health at home and in your community.

Michael tackles central issues such as teen suicide, sexual abuse, and posttraumatic stress in our veterans. He provides clear understanding of mental health problems like alcohol and drug abuse, bipolar disorder, and traumatic brain injuries, giving perspectives on these issues not found anywhere else
