

### Communication Nation with Jill Schiefelbein Archives Available

Effective communication is often the difference between success and failure. Do you feel confident communicating when the stakes are high? Are you ready to get up in front of any audience at a moment's notice? Do you realize that not saying anything is communicating something? "Communication Nation" will expand your understanding of different communication practices and how they affect day-to-day business operations and relationships. At the root of every management and relational issue lies a communication problem, but many don't understand how communication affects an organization's bottom
