Live from ORI world headquarters in Harvard Square, Dr. Piotr Parasiewicz of the Rushing River Institute returns with tales of government permitted withdrawals and hot effluent discharges into a vital coldstream river threatening salmon and indigenous fish. Meg Sheehan and Jana Chicione of Concerned Citizens of Russell will join the show.

Featured Guest

Jana Chicione

Jana Chicione is spokesperson of the Concerned Citizens of Russell, an all-volunteer grassroots community group formed four years ago in response to a biomass power plant proposal in the town of Russell Massachusetts.
