January 6th 2010: Activating Global Heart

What information can the intelligence of the heart provide us with, and how can the collective power of the heart generated by humanity help change the world? Join Howard Martin from the HeartMath Institute and learn about amazing new findings that show that the heart sends powerful healing commands to the rest of the body that can improve health, emotional well-being and performance. You'll also learn about the Global Coherence Initiative, a science based project that is uniting many thousands of people around the world. This Initiative is increasing the individual and collective level of hea
