### Spirituality – 101: The Missing College Course

Archives Available

**January 8th 2010: Doors closing: Doors opening: It's only CHANGE**

Happy New Year! How did it feel to usher out the old year and bring in the new? What does the next two-year cycle hold for us as we move towards the year 2012 and the end of the Mayan Calendar? Spiritually speaking what would you want to change in the New Year? I asked listeners, students and former guests of the show for their responses to these questions. Join me on Friday to hear their answers. It should make for a spiritually informative/inspiring hour. It's the show you don't want to miss.
