January 20th 2010: "This Wasn't Suppose To Happen To Me!"

Maybe the catalyst for those words was a crazed gunman, a raging fire, a weather disaster, terrorism, the ravages of war, being laid off from work, or unexpected illness or death. Dr. Bev Smallwood, psychologist, author of "This Wasn't Suppose to Happen to Me," and experienced national media resource, explains the ten choices people have when unwelcome or tragic events wreak emotional havoc and change their futures. Seriousness and humor tied together to move forward. Don't miss this show! www.magneticworkplaces.com
