February 4th 2010: "The Art of Editing"

Duane Conder joins "In Discussion" to talk about his life in shooting and editing for national and multi-national clients. He provides digital media production including motion graphic design and compositing to a very short, selective list of broadcast documentary and corporate clientele. This holistic approach to working in the production industry has lead to relationships with clients, crew and producers that go beyond the norm. Each project he accepts is launched and executed with very emotionally intelligent, methodical decision-making. "When emotional intelligence and timed, purposeful d
