July 20th 2010: Philanthro-captialism: Oxymoron or Social Responsibility?

A global revolution is under way in philanthropy and organizations that do good for others are doing well for themselves too! Our guest, Matthew Bishop is the US Business Editor and New York Bureau Chief of The Economist, and the author of several books including, "Philanthrocaptialism." According to former U.S President Bill Clinton, "This is an important book. Our interdependent world is too unequal, unstable, and unsustainable. We have to transform it into one of shared responsibilities, shared opportunities, and a shared sense of community." Listen and learn how making the world better m
