Laurie Orlov advises large organizations as well as non-profits and entrepreneurs about trends and opportunities in the age-related technology market. Gail Hunt is President & CEO of the National Alliance for Caregiving, a non-profit coalition dedicated to research and national programs for family caregivers and professionals who serve them. They say how they came to be interested in technology for home care, and explain the services for family caregivers offered through their work and organizations. They talk about the important survey they were both involved with and what was discovered
