January 11th 2012: Participatory Ecological Governance: The Northeast Great Waters Restoration Initiative

Peter Alexander (www.northeastgreatwaters.org) talks with Rob about life on a Maine island. He describes some of the assaults to coastal waters and ocean wildlife, along with the robust planning needed for restoration. For the past 3 years Peter has been leading the Gulf of Maine Habitat Restoration Initiative, which expanded last year to include Cape Cod and Rhode Island. He will host a New England Coasts Restoration Initiative Summit open meeting with of 400 invited. Peter succeeds by working with representatives from state and federal agencies, the non-profit community, and with members of
