January 18th 2012: Top Screw-up's Doctors Make and How to Avoid Them

This week I will be discussing the hidden epidemic of health care harm. My guests, Joe and Terry Graedon have exposed the most common medical mistakes from doctors offices and hospitals to pharmacy counters and nursing homes and they will be sharing them with you. They will be offering tips on how patients and their family members can spot errors or problems and prevent them from doing irreparable damage.
