**April 27th 2012: Spirit, Nature and the Power of Prayer**

Twenty-first Century living demands change at multiple levels. Our class this week begins with a clearing and centering meditation. It brings information on how to connect with the vastness of Spirit. How to fully merge our energies with the Intelligence inherent in nature and offers insight into the power of prayer as a multi-dimensional tool of transformation. E-mail me your questions on this topic at [spirituality101@yahoo.com](mailto:spirituality101@yahoo.com) and join me live on the show. Blessings.
