May 2nd 2012: How does our environment affect our ability to communicate?

This week I have invited Dr. Georgianna Donadio the author of Changing Behavior: Immediately Transform Your Relationships with Easy-to-Learn, Proven Communication Skills back to discuss how our environment, the way we view the world we live in, our beliefs and values, and so forth all play a role in how we learn to behave towards ourselves and others and how these factors also influence how we learn to communicate
