May 23rd 2012: Use Your Body To Heal Your Mind with Dr. Henry Grayson

Cumulative traumatic or painful developmental experiences are stored in our limbic system-our survival brain- and studies have shown a stunning connection between these and current illnesses. This knowledge has been the source of groundbreaking scientific fields which have changed the traditional reductionist view of medicine. Dr. Grayson draws on his understanding of this work and combines it with new insights to explore the core of what keeps us from embracing a healthy and productive life, Dr. Grayson will use examples to demonstrate how we can overcome chronic illness and disorders previous
