August 29th 2012: Ancient Healing Wisdom Meets Modern Technology with Dr. Erwin Luddecke

Dr. Erwin will explain how using his diagnostic Metatron bio-energetic body scan device based on modern quantum physics, it can be demonstrated that Dr. Jyanath Abeywickrama's Ayurvedic techniques for energizing pure spring water can activate one's own self-healing power. Dr. Erwin will explain how they came together as a team, the huge impact Dr. Abey has had on him personally, and give specific examples of remarkable shifts in people's energy fields and their movement into a loving, compassionate, healed, heart presence state.

Featured Guest

Dr. Erwin Luddecke

Dr. Erwin Luddecke studied medicine at University, but was never a mainstream student. He did his internship in Anaesthesia and Pediatrics, but soon realized that a hospital is not a place for personal development. He moved to primary care where he could integrate alternative medicine like acupuncture and three years later Dr. Erwin started his own practice integrating psychotherapy and natural healing techniques. Dr. Erwin met Dr. Jyanath Abeywickrama in 2007 and was immediately impressed by his clarity and authenticity. They have been working together for the last three years focusing on assisting patients with incurable diseases.
