**September 19th 2012: Megalithic Structures and Earth Energies with Hugh Newman**

Hugh Newman returns to the show to bring forward fascinating new information about megalithic structures and earth energy currents that he experienced while visiting Columbia and Peru. It would seem as though the earth energies are being activated and interconnecting across the planet and Hugh will use his vast knowledge of these natural energy grids and man made megalithic structures to show how everything is coming together. He will also discuss his latest research into the origins of the Mayan Calendar and the involvement of the Olmec civilization.
