[VIEW HOST PAGE](#)

Sharon Brigner is a Deputy Vice President for the Pharmaceutical Research and Manufacturers of America, www.phrma.org, a trade association in Washington, DC. Joseph Hammang is Senior Vice President, Life Sciences for ML Strategies, www.mlstrategies.com. They talk about the organization of clinical trials, the people who are the subjects and how they are recruited. They discuss permissions and suggest questions that family caregivers should ask about purposes and procedures of clinical trials involving family members, effects they should expect and watch out for, information that is collected a
