**November 5th 2012: Naturopathic Medicine and Family Caregiving**

Dr. Allissa Gaul is a Naturopathic Doctor, [www.resonance-wellness.com](http://www.resonance-wellness.com). She describes her professional career, and the profession of naturopathic doctors and how this is evolving. She explains her role as President of the College of Naturopathic Doctors of Alberta, and the College's work. She talks about the health concerns of children that are most common in her practice, the types of care she provides for them and for children with special needs, and how she works with their family caregivers. She discusses naturopathic care for adults with long-term or terminal illnesses, identifies the comm

**Dr. Allissa Gaul**

Dr. Allissa Gaul is a Naturopathic Doctor practicing in Calgary who has a keen interest in family medicine ranging from pediatrics to palliative care. She's currently president of the College of Naturopathic Doctors of Alberta and is a member of the Canadian Naturopathic Coordinating Council. Over her years of practice, she's observed the stresses and strains experienced by family caregivers of children with special needs, of elderly parents, or of adults with chronic illness. She's the founder and director of Resonance Wellness, [www.resonance-wellness.com](http://www.resonance-wellness.com), a center dedicated to Conscious Family Medicine, which empowers her patients with knowledge, pe
