Dr. Pamella Thomas is Chief Medical Officer and Executive Director of the Institute for Health and Productivity Management's WorkPlace Center for the Working Caregiver, <http://is.gd/d5go2D>. She describes the WorkPlace Center, the services it provides, the people it serves, and how they benefit. She discusses the challenges faced by family caregivers caring for working family members, what makes the challenges difficult, and the ways in which she helps family caregivers in meeting these challenges. She explains the consequences of the challenges if family caregivers do and don't receive and act
