January 15th 2013: It Just Is!

We almost always have an opinion, an explanation and reason as to why something is happening. We often measure it according to right or wrong, good or bad, negative or positive. Join PURE Talk Radio with your host Bonnie Wirth as she welcomes her guest Sarah Lynn Kennedy to discuss and explore the possibility of how "IT JUST IS!". Take this opportunity to stretch beyond your perspective and past the limiting beliefs of your life. This episode alters judgment placed upon life situations and circumstances bringing new awareness; opening you to allow flow and ease where before there was none.
