January 29th 2013: How to Know that a Charity really is a Charity

Bill Adair is Chief Executive Officer of the Spinal Cord Injury Ontario, <http://www.sciontario.org/>. Susan Manwaring is the National Chair of Miller Thomson's Charities and Not-for-Profit Group, www.millerthomson.com/charities-nfp. They discuss the definition of charity and the accountabilities and responsibilities expected of one. Bill describes the obligations that his charity applies to itself. Susan discusses the legal principles governing charities. They identify the things that family caregivers should consider when, for example, contributions to a charity will be requested as a way of h
