March 8th 2013: Realer than reality: An hour of anything and everything soap

One of the most exciting – and nerve-racking things about live radio is knowing that anything can happen. Soap Central Live is, as the name implies, broadcast live every week. When this week's guest was unexpectedly called to set, a mad scramble took place to make sure that there was still a show. Join host Dan J Kroll as he opens the phone lines to fans to talk about anything and everything soap. Soaps in Depth executive editor Richard Simms drops in as special guest co-host.
