JR Harding and Erika Richards-Harding were married on August 12, 2006. JR, www.jrharding.com is two-time survivor of spinal cord injury, 1983 and 1998. He is quadriplegic, twice over. He completed his doctorate from Florida State University in Higher Education and Public Policy. She has a journalism and dance degree, and now teaches tennis. They talk about their personal stories, lives and successes. They each say what their marriage means to them. They speak about the greatest challenges that quadriplegia created for their marriage and for each of them. They explain the ways in which they tog

Featured Guests

Erika Richards-Harding

Erika Richards-Harding was born in Chicago Illinois. She attended Culver Military academy, a boarding school in Indiana, where she first met JR. At college she earned a journalism and dance degree. Her first job brought her to Lake Tahoe where, during a reporting assignment, she was asked to plan parties for a living, from which grew her company, EVENTUS. She worked with the Atlanta and Salt Lake Olympics and travelled widely. Her travels took her to Atlanta, where JR reached out and asked her to attend the FSU GATOR football game. As he says it, that was the hook and all he had to do was reel her in. She recently passed the USPTA tennis certification exam and now teaches tennis. Other succ
