Maria Wheatley

Maria Wheatley is a writer, dowser and researcher of earth mysteries specializing in the geodetic system of earth energies and ley lines. She organizes regular tours of sacred sites and medieval churches and cathedrals in the South West of England to locate and interact with the monument's hidden energies. Her late father was considered a Master Dowser who discovered the hidden chakra system within Glastonbury Abbey and how it was ritualistically used by the Royal Bloodline. Maria has studied Landscape Archaeology with the University of Bath in Swindon, has written holistic diploma courses for the British School of Yoga, teaches reflexology, dowsing and past life regression for Swindon Colle
