## Coffee Break with Game-Changers

with your host **Bonnie D. Graham**

**Financial Excellence with Game Changers, presented by SAP**  
**Tuesday at 7 AM Pacific /10 AM Eastern**  
**April 2nd 2013: Financial Transformation: Ready or Not!**

Today's buzz: Financial transformation. Finance professionals are on a treadmill, navigating the steep challenges of regulatory reporting, risk vs. opportunity balancing, new technology learning curves, and more. Bottom line: Rise to the occasion or fall off. The experts speak. Regina Edmiston, Deloitte: "Addressing the challenges facing finance organizations is a balancing act across process, technology and organizational components, with integrity of data and transparency to information as the underpinnings to any transformational changes." KK Dave, Deloitte: "Finance transformation p

#### Krishnakant "KK" Dave

Krishnakant "KK" Dave is a principal within the SAP/Technology practice of Deloitte Consulting LLP, with a primary focus on leading large scale SAP-enabled transformation projects working closely with the C-suite. His strong background in business process design and optimization, rooted in finance transformation and working with the office of CFO, includes process improvements, developing common processes, and service delivery model optimization. KK's industry focus is in consumer and industrial products, including wholesale distribution, manufacturing, and consumer products and retail. This enables a valuable perspective on both ends of the consumer and industrial products spectrum, namely

#### James Fisher

James Fisher is vice president of marketing for Analytics at SAP, where he is responsible for go-to-market strategy, positioning and messaging, demand generation and events, roadmap communications, and is a key stakeholder in solution strategy. James has more than 15 years of experience in the analytics, performance management and finance industry. He joined SAP with its 2008 acquisition of Business Objects, where he led EPM solution marketing. He held solution marketing, global communications, and EMEA field marketing positions with Cartesis, a Paris-based EPM company subsequently acquired by Business Objects in 2007. Previously, James held consulting positions with PwC, in its Group Rep
