**March 28th 2013: Can You Trust Your Emotions?**

Dr. Synthia Andrews, lays to rest the myth that emotions cannot be trusted and she will help you answer the questions: "Are emotions illogical? Can they be trusted? Does happiness depend on avoiding negative feelings? Do our emotions control the quality of our lives?" She is a veteran naturopathic physician with thirty years' experience as an energy practitioner and teacher. Dr. Andrews can help you harness the power of emotions in order to make better decisions, heal and let go of the past, and create a life that fulfills your dreams. She will explain why there is more to reality than our fi
