May 9th 2013: Beliefs**

Few people today doubt the power of positive thinking. We all know that if we expect to fail, then failure is inevitably what we get. What you believe can and does have a huge impact on the quality of your life—from success in business to success in relationships, from your ability to learn and master new subjects to your ability to heal your own body. But have you ever stopped to consider your own beliefs—to truly examine them and decide for yourself if they are serving you or sabotaging you? Eldon Taylor has spent over 25 years researching the power of the mind and developing scientifically
