May 23rd 2013: Breakthrough with Michael Pipich Thursday, May 23, 2013

Bipolar Disorder is one of the most disturbing and misunderstood of all psychiatric disorders. Typically starting in the teenage to young adult years, Bipolar can turn creative, intelligent people into lives filled with chaos and tragedy. In this episode of Breakthrough, host and therapist Michael Pipich will talk with return guest Dr. Joe Shrand about the problem of Bipolar Disorder, how to understand the Bipolar mind, and what patients and families need to know about getting in and staying with treatment. They'll also discuss the Bipolar Network, a new way to get people connected with hel
