June 19th 2013: Fake College Degrees: The Problem of Diploma Mills and Its Damaging Effect On the Public and Businesses

The job market is competitive and many employers want potential job candidates with education credentials. The pressure to have a college degree has caused many job applicants to turn to diploma mills that sell fake college degrees. This has caused the rise of diploma mills or fake colleges that sell college diplomas for a price. Many diploma mills charge a fee ranging from \$50 to \$5,000 for a bachelor's, master's, Ph.D. or other such degree. Diploma mills have a long history that dates back to the 1930's. Diploma mills have become a huge problem in the job market. Often, buyers only have to
