October 23rd 2013: Developing a Service Culture While Saving Money

Rolling stones develop no moss but the best companies develop a service culture. Our guest tonight is John Tschohl, president of Service Quality Institute. He will help us learn what developing a service culture means, what your company needs to know before they start, what programs to put in place to continue advancing your company's service culture, how to involve your employees generate good ideas to solve problems, and how to utilize your them to save your company a dollar a day, per employee, without you even noticing. John will also give ideas on how we create our own success and motivat
