**November 5th 2013: Is Choice on Your Menu?**

Have you noticed that most people on this planet do not even know that they have choice? Do you? Most people think that they have to get by and survive and that this is all there is, as long as the bills are paid, the relationships are ok, they get sex once a year... all is ok... How is it for you to live in a world where choice is not on the menu? Is this reality enough for you? Is it time to include you in the computation of your life and open the doors to greater possibilities?
