December 2nd 2013: Peace Ranch Supportive Housing and Rehabilitation for Adults Living with Mental Illnesses

Eric Tripp-McKay is the Executive Director of Peace Ranch, Caledon, Ontario, Canada, <http://www.peaceranch.com/>. He's worked in the community mental health sector for 25 years. He talks about his life, career and experience of family caregiving. He describes Peace Ranch, its mission and work. He discusses the mental ill-health that Peace Ranch addresses and the challenges that it creates for persons living with it and for their families and family caregivers. He highlights challenges that the mental ill-health creates for healthcare and social systems. He explains the ways Peace Ranch helps to

Featured Guest

Eric Tripp-McKay

Eric Tripp-McKay has worked in the community mental health sector for almost 25 years. During this time he discovered that his greatest insight has come from listening to the stories people share about their experiences in coping with mental illness.
