Isaac Weinroth is the Executive Director of One Kenton Retirement Residence, <http://www.onekenton.ca/>. His personal mission is to put tender loving care into long-term care. He talks about his life, career and his involvement with caregiving. He describes One Kenton Alzheimer's Centre of Excellence and its work. He explains why it was created, how far along it is in its development in January 2014, and its collaboration with other organizations focused on Alzheimer's disease. He identifies the greatest challenges created for people diagnosed with Alzheimer's disease, treatment and care service

**Isaac Weinroth**

Isaac Weinroth is the Executive Director of One Kenton Retirement Residence, <http://www.onekenton.ca/>. Since the age of 13, when he first began volunteering at a renowned Geriatric Health Centre of Excellence, he's made it his personal mission to put the tender loving care into long-term care. He possesses exceptional skills and passion for serving the needs of seniors, as well as over 23 years of combined experience in the field of Gerontology and Long Term Care, Mental Health and Developmental Services. He holds a Master of Health Sciences in Health Administration from the University of Toronto as well as a Combined Honours Bachelor of Arts degree in G
