**March 6th 2014: Mercury Poisoning with Dental
Amalgam, the Hidden River Health Challenge**

Laura Henze Russell, Director of ORI's Hidden River Health Challenge, spoke with Rob about good health, integrated care and making chronic diseases history. Two MA Bills have been filed to protect the public from undisclosed health risks of mercury dental amalgam. Laura has met with the MA Dept. of Public Health and Executive Office of Health & Human Services to discuss broader reforms to integrate dental plans into health care and make it subject to medical necessity, patient rights and data-driven outcomes. Laura has a Warrant before Sharon Town Meeting asking President Obama for a Surgeon
