April 17th 2014: I Think, Therefore It Is

What if you had a recipe to make your life any way you wanted? Would you take it and go to work on it or would you believe that it was "too good to be true " and do nothing? Peter Baksa is going to give you just such a recipe—a recipe for manifesting what you want in your life. Based on quantum physics, his formula includes things you may or may not already know plus more. If you look at the very successful life that he built, you will realize that he knows what he's talking about. His life proves that his theory works. You might want to read his book, The Point of Power to prepare for the sho
