May 20th 2014: Eye Movement Desensitization and Reprocessing Treatment for PTSD

Nancy Errebo, Psy.D, <http://ow.ly/wIOW8>, is a psychologist from Missoula, Montana. Recently retired from the Department of Veterans Affairs, she has a private clinical practice providing Eye Movement Desensitization and Reprocessing Treatment (EMDR). She talks about her career, practice and experience with family caregiving. She explains the purposes and applications of EMDR. She discusses the ways post-traumatic stress disorders occur in and affect military personnel, police, and first responders, such as ambulance crews and firefighters, and children, adolescents and adults, and explains how
