**May 22nd 2014: Come Quantum Jump With Me**

Have you ever put your car keys in a certain place —you were absolutely sure you did—but when you needed them, they weren't there? After a frantic search you found them in a very strange location and you have no memory of putting them there. This made you doubt your own reliability just a bit. Have you ever read a book and, later searched for a passage you had marked for future reference but you couldn't find it at all? If you have experienced anything like these you may have been "quantum jumping." Don't panic. Cynthia Sue Larson is going to tell us what it is, how it's done, and if there are
