As many Veterans and their families know all too well, the transition from service to civilian life has many obstacles. A large amount of combat Veterans have PTSD (post-traumatic stress disorder) and tasks like sitting in a classroom that civilians take for granted are difficult. Manpower to Horsepower is a hands-on program that teaches Veterans motorsport management. Sue Roberson CEO/President for Manpower to Horsepower Salisbury, North Carolina We started this business in 2009 to just start giving back to our Veterans by building a 2 seat race car that the Veterans could ride around
