Awakening to Conscious Co-Creation Archives Available
June 4th 2014: Walking the Camino

In the spring of 2008, Lydia Smith walked the 500 mile Camino de Santiago and the effects it had on her were truly life-changing. Along the way, she realized that she was not fulfilling her life's purpose. Since the Camino is all about stepping out of one's comfort zones, Lydia felt called to step into her full potential and direct this, her first feature-length film. Her intention is for the film to positively change lives, just as the Camino does, and to inspire people to follow their own path of discovery and transformation. Now the documentary film is on its own pilgrimage across North Ame
