August 12th 2014: Andrew's story**

How the lethal cocktail of anti-depressants, anti-psychotics, analgesic drugs killed my son

Stan White Father of Marine Corporal Andrew White

Stan White is a retired high school principal. He is the father of Marine Corporal Andrew White, who was a healthy 23-year-old, gung-ho Marine returning from a nine-month tour in Iraq, who, like so many of his brothers in arms, suffered from the seemingly normal stresses of war—insomnia, nightmares and restlessness. The young corporal turned to the military's mental health system for help. Within a few short months, White became u
