January 29th 2015: The On-Line Dating Game

One of the things that almost everyone is looking for, longing for even, is a loving relationship. Before the advent of the computer and the Internet we had newspapers that carried ads placed there by lonely men and women who were looking for companionship. Now we have on-line dating. There are close to 100 different dating sites listed on the Internet and these serve an estimated 41 million people. I am one of these and I'm going to talk about on-line dating in general and my experiences in particular. I may or may not be typical, but I will be honest about what I have learned. The questions?
