**May 20th 2015: Special Encore Presentation:
Using Emotional Intelligence in Business:
Selecting and Developing Leaders**

In this program explore leveraging Emotional Intelligence to maximize performance in everyday business by enabling better communication, collaboration, teamwork and leadership throughout the organization. Emotional intelligence is a set of emotional and social skills that collectively establish how well we: Perceive and express ourselves - Develop and maintain social relationships - Cope with challenges -Use emotional information in an effective and meaningful way. The EQ-i2.0 measures five distinct aspects of Emotional and social functioning. These include; Self-Perception, Self-Expression, I
