March 31st 2016: Moving from Injury to Insight

Dr. Toni Rivera has a story to tell. It's a story of abuse and overcoming. In the introduction to her book, "The Propelled Heart," she states, "The experiences of life may bring injury to the physical, mental or emotional aspects of an individual. The propelled heart has the attitude of wanting to move forward in life, to learn about how the relationships, experiences and various interactions can serve as opportunities for the evolution of being." In this show, Dr. Toni will tell us her story of moving from injury to insight and how the wounds have transformed into gifts for the world around her.

Featured Guest

Dr. Toni Rivera

Toni Luisa Rivera graduated from Life Chiropractic College in Marietta, Georgia in 1985 and interned with world renowned chiropractor, Dr. Larry J. Trowel. This prepared her for the opening of her first private practice in, Puerto Rico. As soon her sign was mounted, the office began to fill with patients. By the end of the first four months Dr. Toni was serving 70 people a day.
